

Dear Parents,

Our Thanksgiving feast is fast approaching. For those of you who are new to the rural schools you are probably wondering what this is. Each year before Thanksgiving most of the Rural Schools get together at the Tech. Center in Bad Axe and celebrate. The students take turns from year to year dressing up as Indians and Pilgrims and we have a big feast. This year we will be dressing up like Indians. Each school is responsible for about 5 minutes of entertainment (i.e. songs, poems or skits). Each family is asked to bring a dish to pass. **This year we are asked to bring cold salads.** We have it scheduled for **Wednesday, November 22, 2017.** Because of the limited space in the Tech Center, we have to limit the number of guests to one adult per family. No preschoolers will be allowed. I need to know what families plan on sending a parent or grandparent so I can reserve them a seat and include them in the count for the caterer. If you are going to be attending and wish to take your children home with you, I will need to know ahead of time. I will also need to know if you are not attending, but plan on picking your child up at the tech center instead of our school. That day is a half day and students can be picked up at the tech center at 11:00am or at our school at our 11:30am. I will also need to collect their Indian outfits before they leave.

Please fill in the bottom portion of this note and send it back to school. Please fill it out and return it even if you don't plan on attending.

Thank You, Mrs. Schweitzer

Parents who volunteered to drive: Kelly Thompson, Paul Starcher

If you originally signed up and no longer can drive please let me know. Thanks
